Current Events in California

Presidential Disaster Declarations in the State of California

- DR-4301 – 34 counties
- DR-4302 – Hoopa Valley Tribe
- DR-4305 – 16 counties
- DR-4308 – 43 counties and one tribe

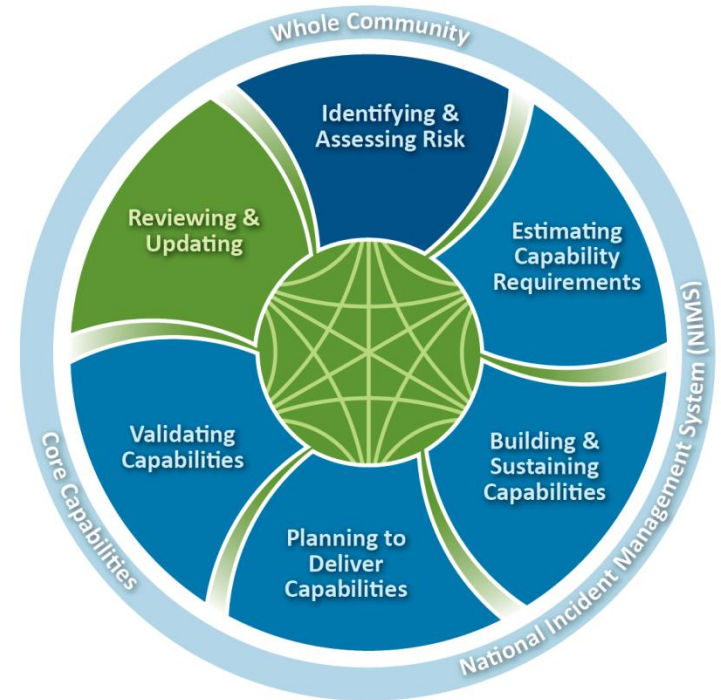

FEMA

National Preparedness System

The National Preparedness System is comprised of six major components:

- Identifying and Assessing Risk
- Estimating Capability Requirements
- Building and Sustaining Capabilities
- Planning to Deliver Capabilities
- Validating Capabilities
- Reviewing and Updating

FEMA

National Preparedness System

- Leverages what was already going on in the whole community
- A common system of processes and tools
- All of the components seek to answer the question: How do we achieve the National Preparedness Goal?
